Modern Japanese History

A Selected List of Resources

Booth Library has a large collection of learning resources to support the study of the history of Modern Japan by undergraduates, graduates and faculty. These materials are held in the reference collection, the main book holdings, the journal collection and the online full-text databases. Books and journal articles from other libraries may be obtained using interlibrary loan.

This is a subject guide to selected works in this field that are held by the library. The citations on this list represent only a small portion of the available literature owned by Booth Library. Additional materials can be found by searching the EIU Online Catalog.

To find books, browse the shelves in these call numbers for the following subject areas:

- D720-728 Period between World Wars (1919-1939)
- D731-838 World War II (1939-1945)
- D839-860 Post-war History (1945-)
- DS801-897 Japan
