Booth Library has a large collection of learning resources to support the study of the history of Africa by undergraduates, graduates and faculty. The materials are held in the reference collection, the main book holdings, the journal collection and the online full-text databases. Books and journal articles from other libraries may be obtained using interlibrary loan.

This is a subject guide to selected works in this field that are held by the library. The citations on this list represent only a small portion of the available literature owned by Booth Library. Additional materials can be found by searching the EIU Online Catalog.

To find books, browse the shelves in these call numbers for the following subject areas:

- DT1-3415: History of Africa
- GN550-674: Ethnic Groups, by region or country
- HT851-1445: Slavery
