United States History to 1877
A Selected List of Resources

Booth Library has a large collection of learning resources to support the study of the history of the United States to 1877 by undergraduates, graduates and faculty. The materials are held in the reference collection, the main book holdings, the journal collection and the online full-text databases. Books and journal articles from other libraries may be obtained using interlibrary loan.

This is a subject guide to selected works in this field that are held by the library. The citations on this list represent only a small portion of the available literature owned by Booth Library. Additional materials can be found by searching the EIU Library Catalog.

To find books, browse the shelves in these call numbers for the following subject areas:
